COLLEGE OF INFORMATION STUDIES

Marylanders Online

Marylanders Online is an initiative through the University of Maryland Extension (UME) and the College of Information Studies (INFO) with state funding that aims to bridge the digital divide throughout the state by promoting digital equity.

Connect with Marylanders Online today to access free resources and support for...

- Computers, tablets, and cell phones
- Getting on the Internet or Wi-Fi
- Finding digital skills classes and training
- Self-guided digital skills learning
- Applying for government services
- Digital navigator resources
- Advancing digital inclusion in your community
