Marylanders Online Navigator Education Toolkit

Free Digital Navigator Training

Baltimore Cohort | Hybrid Format

Earn a Digital Navigator Certification from the University of Maryland Extension!

UME Marylanders Online, in partnership with the Baltimore Digital Equity Coalition (BDEC), is offering a free, hybrid Marylanders Online Navigator Education Toolkit (MONET) training customized for digital equity program staff serving Baltimore City & Baltimore County. This train-the-trainer certification program will equip partners to deliver essential digital navigation services in their communities.

August 18 - November 19, 2025

Registration Extended - Sign Up by September 17th!

Baltimore Cohort Hybrid Schedule

August 18 – September 8: Asynchronous
